3. **Clinic Practical Skill Assessments:** Students progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the student using the CourseKey app. All assigned practical skill assessments must be completed in order to complete the programs.

## ESTHETICS COURSE INSTRUCTIONAL TECHNIQUES AND METHODS

The 600 hour esthetics programs are provided through a sequential set of learning steps which address specific tasks necessary for State Board preparation, graduation and job entry level skills. Clinic equipment, implements and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative and productive career oriented activities. The course is presented through well-developed lesson plans that reflect the latest educational methods. Subjects are presented by means of lecture, demonstration, distance education, and student participation. Audio-visual aids, guest speakers, field trips, and other related learning methods are used in the course.
