TUITION INSTALLMENT PLAN

The Tuition Installment Plan allows students and families to pay the out-of-pocket amount for the academic year in equal monthly payments. Students are responsible for any out-of-pocket payment if the financial aid is insufficient to cover the amount due on the first day of school.

Things to know:

- The length of the payment plan offered may vary depending on the length of your academic year. Payment Plan applications must be submitted for every academic year.
- The plan amount is restricted to cover just the direct cost, such as tuition and fees listed on the tuition fee schedule.
- Your Financial Services advisor will provide a link to the application if requested.
- Read the contract and all disclosures carefully and consult any advisor before you elect to use the Tuition Installment Plan.

All payments plans incur a 4% interest for the duration of the program. (can be paid early at no extra cost)
