Paul Mitchell The School Tulsa

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

The below policy apply to those students receiving VA Benefits:

SECTION 2: PREVIOUS EDUCATION, TRAINING, AND MILITARY TRANSCRIPTS

Students utilizing VA education benefits must provide all transcripts and records of previous education and training. We will evaluate these records and, when possible, grant appropriate credit for the previous education and/or training, shorten the length of the training program, and notify the student regarding the amount of credit being granted for previous training.
